RATE MECHANISM	)	

ORDER

On November 8, 2019, Columbia Gas of Kentucky, Inc. (Columbia Kentucky), filed a combined motion for informal conference and motion to stay the filing of tariff sheets. Columbia Kentucky is requesting an informal conference to seek clarification of the October 22, 2019 final Order; specifically, upon how the percentage change in Columbia Transmission's FERC tariff will be applied to Columbia Kentucky's transportation cost benchmark. Additionally, Columbia Kentucky requests a stay of the Commission's October 22, 2019 final Order requiring the filing of new tariffs by November 11, 2019, until Columbia has further direction on how to calculate the benchmark. However, after filing the pending motions, Columbia Kentucky filed the new tariffs with the Commission on November 12, 2019.

Having reviewed the request and being otherwise sufficiently advised, the Commission finds good cause to grant Columbia Kentucky's Motion for Informal Conference. However, the Commission denies Columbia Kentucky's Motion to Stay the Filing of Tariff Sheets as moot, because the new tariff sheets have already been filed with the Commission.

IT IS THEREFORE ORDERED that:

1. Columbia Kentucky's motion for an informal conference is granted.
2. An informal conference shall be held on Tuesday, November 26, 2019, at 10 a.m. Eastern Standard Time at the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.
3. Columbia Kentucky's motion to stay the filing of tariff sheets is denied as moot.
4. Commission Staff will contact participants by electronic mail to provide details for joining the conference by telephone.
